*“Our founder, Sir John Templeton, was a man of faith and an eternal optimist. He was an advocate for the betterment of the individual and society at large, and encouraged those around him to dream big, work hard, think creatively, and ultimately, to give back to the community.”*

*We have long seen in Lyford Cay Foundation an organisation that effectively promotes the same values, and provides the resources and opportunities necessary to achieve these goals.*

*The more success the Foundation’s (FOCUS) programme has, the more we succeed alongside it, as a nation, as a company and as individuals.”*
